Settling In

Once you have been offered a nursery place, we invite you and your child to take part in settling in sessions.

This is your opportunity to sample part of the nursery day and meet your child's key person.

The first visit will be a "getting to know you" session, where we learn more about your child and their favorite things.

The second visit, we encourage you to leave your child for a short play session in preparation for their first day.

Rising Stars Room

The Rising Stars room can hold up to 16 children aged between 2 and 3 years old.

Children and their families are provided with high quality care where the child's needs and development are paramount.

Through the EYFS we plan and adapt activities to ensure all children have the chance to achieve and thrive throughout their time in toddlers.

We observe the interests children display and provide fun and stimulating activities around these to encourage children's learning and development in a way that will captivate them.

This will build up each child's confidence and independence to ready them as they move through to the preschool room.

Twinkling Stars Room

We provide a warm friendly Pre-School room within which children and their families are offered a safe, stimulating, happy and challenging environment.

We make continuous and ongoing observations of each child's interests and plan activities based on these to further each child's development. This ensures that all opportunities offered are guided by the children and implemented to help the child achieve the best that **they** can!

All our staff value and understand the importance of working together with parents/carers, to ensure their children are ready for their journey into school life.

Childcare Choices

Will I qualify for 30 hours free childcare?

Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

- *They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.
 - *This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old and £56 a week for apprentices in their first year.
- *This applies whether you are in paid employment, self-employed or on zero hours contract.
- *The parent (and their partner where applicable) should be seeking the free childcare to enable them to work.
 - *Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.
- *Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.
- *Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
